WHO WE ARE

WE LIVE BY OUR MOTO: EXCELLENCE, QUALITY, TRUST.

We live by our Moto: Excellence. Quality. Trust. Oilray Petroleum FZCO has accumulated a strong and healthy market trust through continuous improvement in its product offering and by integrating honesty and business ethics into all aspect of its business functioning.

We have experienced a fast growth since the foundation, in the trading market and has resulted into a robust financial result in the energy sector.

Strong relationships coupled with excellent professional bond with our supply chain are the core values of our business. We are committed to provide exemplary customer care for fast, personalized services to ensure a rewarding experience for our customers.

OUR VALUES

Oilray Petroleum FZCO core values drive everything. We do incorporate these core values in our daily work and making them an integral part of our culture is key to our future success. Our values solidify who we are and what we believe.

1. Commitment to Quality health safety and environment.
2. An open relationship with our employees based on , Respect and Transparency.
3. Accountability and Discipline in our business.
4. Providing Excellent services to our customers.
5. Integrity in all we do.
6. Delivering Quality Products.

WHAT WE DO

- Shipping and Chartering
- Marine Fuel Trading
- Products Trading
- Import / Export

1. Shipping and Chartering

We believe in providing high-end services to our customers with strong commitment and integrity.

At Oilray, we offer our clients top-notch services founded on unwavering honesty and a commitment to excellence. We operate and manage a diverse fleet of tankers, specializing in the transportation of petroleum products and specialist chemicals. We have developed internal specialties for transporting petroleum products, including specialty chemicals. Our services also include the transportation of other products, which are listed below.

Crude

Fuel

Gas Oil

Oilray has greatly improved its supply chain & is constantly looking for boats that will benefit its company. Modern oil tanker fleet; full in-house support for all logistical services; and modern oil tanker fleet.

2. Marine Fuel Supply

We are a global cargo trader, a bunker trading house, and a physical supplier to UAE ports (by barge and by truck).

The trading desk of Oilray is made up of specialized back-to-back traders with global coverage.

Our experience spans the trading of maritime fuels and lubricants for all classes of ships owned by operators, charterers, and owners.

Supply chain and trading operations are areas of competence for our trading team. The team's analysts offer insight into deal management and client service.

The most up-to-date trading platforms and comprehensive research tools are available to traders in order to better serve consumers with quick offers and services.

Using its competence in the trading and shipping of marine fuels, Oilray seeks to diversify into cross-regional commerce.

Working with and supplying major trade companies, physical suppliers, and ship owners.

3. Products Trading

The product trading division of Oilray trades. The international trader team under this Department, which is under the leadership of our Head Office in Dubai, has demonstrated strong performance through an arm's-length sales approach by sourcing the goods directly from manufacturers and delivering them to final customers.

The Department's long-term goal is to increase Oilray's visibility in the European Mediterranean markets for Base Oil, Bitumen, White Spirit, Rubber Process Oil (RPO), LSFO, HSFO, Gas Oil, Jet Kero, Gasoline, Naptha. Using tools like product hedging services, financing and finance insurance, streamlined maritime freight logistics, complete scope of inspection, and marine cargo insurance has been the key to the seamless execution of all of our trades.

Oilray provides a wide selection of premium petroleum products, such as:

- BASE OIL
- BITUMEN
- WHITE SPIRIT
- RUBBER PROCESS OIL (RPO)
- LSFO
- FERTILIZERS
- HSFO
- GAS OIL
- JET KERO
- NAPTHA
- GASOLINE
